January 2014

Dear Friends of the Jasper County Fair,

The Jasper County Fair is scheduled July 18-24, 2014 in Colfax. Our Sponsorship Program is vital to the completion of this event as it helps to cover the expenses and provide for the special activities that make up the Jasper County Fair and it's promotion of all the talent our county holds. Your support through this advertising program contributes to that success each year.

Please consider the financial options we have created on the attached page and be a part of the friendships and memories in the making in 2014.

Any fairboard member in Jasper County can answer questions or assist you. Members of the Sponsorship and Executive Committees of the Board are listed for your convenience.
